

OPEN HOUSE

and

INFORMATION SESSION

regarding

ELEVATOR BAY

Dear Neighbours;

We at the Forrest Group are pleased to share with you our initial Community plans for this unique property.

To do this we have reserved the Dining Room at the Cataraqui Golf and Country Club from 6pm to 9pm on May 16, 2007. The room will be open at 5:30pm and our presentation will commence at 6pm.

We are looking forward to introducing ourselves and our consultant team to you and sharing our plans. We will also be discussing our green initiatives, including a geothermal energy proposal.

Refreshments will be served for your enjoyment.

We look forward to seeing you on the 16th.

Sincerely,

THE FORREST GROUP
